Fee Information

Because the Flambeau Area Swim Team is not school or government funded, the swim club must charge fees to help cover the swim team's operating expenses. The largest portion of our operating expenses goes toward coaches' salaries. Other expenses incurred by our swim club include swim conference fees, insurance, office supplies, postage and awards for the swimmers. These fees are based on the squad the swimmer is placed on and corresponds to the number of coaching hours he/she receives. Regular season fees are payable in a lump sum or on a payment basis.

We do not want to exclude any swimmer because of financial circumstances. Those who feel they may have difficulty meeting the fee schedule are asked to speak to a board member to make special arrangements. (All information submitted will remain strictly confidential.)

It is the coaches' sole decision to advance swimmers from the different squad levels. When a swimmer is moved from one squad to another, he/she must pay an adjusted fee for the higher squad in which the swimmer participates for the remainder of the season. In the event a swimmer is advanced to the next squad the Treasurer will indicate the change and any amount due will be emailed to the swimmer's family.

Please make payments by check to **FAST** and mail to **PO Box 205, Ladysmith, WI 54848**, or put payments in an envelope with your swimmer's name on it and drop in the FAST drop box located in the corridor as you enter the pool.
